Re: Flooding Survey

Dear «OWNERNAME» or Current Resident,

This past spring may have caused you to experience flooding in your area and on your property. The Village is interested on receiving feedback from our residents by gathering a consensus of data on flooding information. If you have encountered drainage problems during these past few months, please consider participating in the Village's Flooding Questionnaire Survey found below.

Responses to the survey can be dropped off at Village Hall, e-mailed to NAng@vok.org, or by leaving a brief message on my voicemail at (847) 251-1666 ext. 5251.

Thank you for your participation as your feedback is important to us.

Sincerely,

Nikki Ang
Management Analyst
(847) 251-1666 Ext. 5251
